

Raw Materials Corporation

Growth That's Grounded in Service

Incorporated in 1985, Raw Materials Corporation (RMC) is a customer-first, family-owned wholesale distributor for the Specialty Chemicals Market. Since our inception, we have maintained a strong position in the coatings, adhesives, sealants, and elastomers (CASE) industries. We utilize the unique business drivers of our global supply chain by providing reputable specialty products, technical expertise, and responsive service to the different industries we serve.

RMC's customer base primarily covers Texas, Oklahoma, Louisiana and Arkansas. Through our customers, products are utilized in formulations or further distribution to be sold worldwide. We operate out of 2 privately leased sales offices & warehouses that are perfectly positioned to service our customers within our territory.

Expect Personal Attention

Our staff of highly-trained professionals ensures that you consistently receive the support you need, when you need it.

Benefit from Continuous Improvement

RMC is committed to achieving health, safety, and security through continuous improvement in chemical storage, handling, transportation and disposal. In addition, involvement in key organizations, such as the Houston and Dallas Societies of Coatings Technology and Adhesive and Sealant Council ensures we stay informed on the latest industry trends and developments.

CASE INDUSTRIES

CASE Principals & Products

ADDITIVES & COLORANTS

4OK TRADING/ ARSENAL GLOBAL DISTRIBUTION

- Superplasticizer
- Polycarboxylates
- Sodium Metasilicate

ADVANCED MARKETING INTERNATIONAL INC (ADMARK)

- Acid Chlorides
- Aluminum Paste
- Plasticizers

ATA TENSOATIVOS

- Silicone, Polymeric, & Solvent Based Additives

C&G PIGMENT

- Synthetic Iron Oxides
- Chrome Green & Carbon Black

DK FINECHEM

- Cellulosic & Polymeric Thickeners

EAGLE SPECIALTY PRODUCTS

- Pigment Dispersions
- Defoamers and Dispersants
- Fixers and Driers
- Oils, Waxes and Thickeners

FACI GROUP

- PVC Additives & Lubricants
- Polyolefins
- Aqueous Dispersions

GLOBAL BIOCIDES

- Biocides & Mildewcides
- In-Can Preservatives

ORGANIC DYES & PIGMENTS

- Dyes & Pigment Dispersions

NORAC ADDITIVES

- Metallic Stearates: Calcium, Zinc & Aluminum
- Ca/Zn Heat Stabilizers

MINERALS & FILLERS

BURGESS PIGMENT CO.

- Kaolin Clay: Calcined, Flash Calcined, Water Washed, & Surface Treated

DICALITE

- Diatomaceous Earth (DE)
- Perlite

LAPINUS

- Engineered Mineral Fibers

LHOIST

- Calcium Carbonate
- Lime Hydrate & Limestone
- Specialized Clays

TECNOINDUSTRIES

- White Calcium Carbonate

TRIISO

- Titanium Dioxide

RESINS & BINDERS

ARNETTE POLYMERS

- Epoxy Resins
- Curing Agents
- Reactive Diluents
- Mercaptans, Novalacs, & Oxazolidines

POLIMEROS ESPECIALES

- Acrylic Polymers
- Styrenated Acrylic Copolymers
- Vinyl Acrylic Copolymers
- Vinyl Acetate Homopolymers
- Acrylic Thickeners & Dispersants

POLIMEROS SINTETICOS

- Alkyd Resins
- Gum Rosin Derivatives

TRIISO

- Hydrocarbon Resins (C5 & C9)
- Hydrogenated Hydrocarbon Resins

EQUIPMENT & CONTAINERS

FANTI

- Tinplate Cans

MAUSER PACKAGING

- Lithographed & Spray Coated Steel Pails (2-6 Gallon)

MOREHOUSE COWLES

- Mixers, Dissolvers, & Media Milling Equipment

POLYETHYLENE CONTAINERS INC

- Utility & UN Certified Plastic Pails

THIRD-PARTY WAREHOUSING

RMC operates two privately-leased Texas warehouses (Houston & Dallas-Fort Worth), totaling over 60,000 sq. ft. of warehousing space with hazmat capabilities. RMC Houston provides a hub for importing/exporting shipments through the Port of Houston, and RMC Irving serves as a central stocking location for the South Central US region.
